Microtunneling machines and complete systems becoming available soon

For Sale & For Rent

Microtunneling and pipejacking machines Herrenknecht serviced or full overhaul and available very soon.

Down2earth has focused and worked hard to get extra availability of Herrenknecht microtunnelling machines for their existing loyal and new customers.

Some machines that become ready for supply within near future are:

- AVN600XC OD 780 mm + optional extension kit OD 870 mm (2 x)
- AVN700XC OD 875 mm + optional extension kit OD 975 mm
- DN800 OD975 mm microtunnelling machine customer build (German build)
- AVN800XC OD1110 mm + optional extension kit DN1200 OD1505
- AVN1200XC OD1505
- AVN1200TB OD1505 + extension kit DN1400 & DN1600
- AVN1600TB OD1960 + extension kit
- AVN2000AB OD2525 + extension kit DN2500 OD 3025 mm complete with everything for 700 m drive length Equipment is in perfect condition!

There are for each machine cutting wheels available or can be build as per customers request. The systems are partially only sold as complete set

Other items for microtunnelling equipments are available as well and can be prioritised upon request. Please do not hesitate to contact us via Email of phone.

Note: pictures shown can be from other similar machines to show the end result to be expected.
